

**OPEN TODAY**

## Wheeling Park Home

This Attractive Dutch Colonial Home of Brick and Frame Construction Is now Entirely Finished and Ready for Inspection

The large living room, radio room or den, dining room and kitchen are conveniently arranged on the first floor with three comfortable bedrooms and bath on the second floor. The interior finish and floors are of hard wood. The bath room is of tile with built in tub and shower. A large fireplace adds to the cheerfulness of the living room and a brick garage with extra toilet and lavatory adjoins the house at the rear.

The lot, four times the size of an ordinary city lot affords ample space for landscaping, fruit and shrubbery.

Drive out and see this home. It will be open for inspection from 10 a. m. to 8 p. m.

**WHEELING PARK** is located on the west side of Wheeling Avenue—one mile and six-tenths north of Main Street.

### LOTS FOR SALE

**WHEELING PARK ADDITION**, with 25 choice lots, is assured of increased future values. The lots are highly restricted and afford to real setting for a modern home. We offer electricity, city water, and good drainage.

These lots average four times the size of ordinary city lots and with prices ranging from \$700 to \$1700. Drive out today and select your lot.
