

## Wheeling Park Home Open for Inspection Today

This attractive Wheeling Park home, just completed, will be open for inspection from 10 a. m. until 8 p. m. today. The contractors, B. M. and Glen Arthur, have taken special pride in making this new home comfortable as well as beautiful. It would be difficult to describe in detail, but we invite you to drive out today and look it over.

WHEELING PARK is Muncie's new, highly restricted addition, with electricity, good drainage, city water (contracted for early spring) and high above Muncie. The lots are from three to four times the size of ordinary city lots and especially adapted to landscape gardening and beautification.

LOCATION: On the west side of Wheeling Avenue a mile and a half from the Court House. Drive out today and see it. You will know Wheeling Park by the Stone Boundary Corners.
